FINDINGS OF FACT

Based on the pending Motion made by the United States, and good cause appearing therefore, the Court finds that:

1. The Report and Recommendation (“R&R”) was filed and served on November 30, 2016.
2. Counsel for the Government has ordered the transcript of the evidentiary hearing in this matter and received it on December 19, 2016. *See* Exhibit 1. Counsel for the Government needs additional time to review the transcript in order to prepare appropriate objections to the R&R, taking into account due diligence.
3. The additional time requested herein is not sought for purposes of delay, but merely to allow the Government adequate time to prepare an objection to the R&R, taking into account due diligence.
4. Additionally, denial of this request for continuance could result in a miscarriage of justice.
5. This is the first motion filed herein to continue the Government’s objection deadline.
